

ISO 9001
Certified

WIKA Instrument Corporation (WIKA) is the world's largest manufacturer and global leader in pressure and temperature instrumentation, offering an extensive range of products for the petrochemical, power generation, process, sanitary, medical, UHP and wastewater industries. Headquartered in Klingenberg, Germany, WIKA operates factories in nine countries and has 28 sales offices worldwide.

WIKA is the U.S. subsidiary located just outside of Atlanta, Georgia in a 210,000 square-foot manufacturing facility. With state-of-the-art technology and highly automated proprietary production equipment, WIKA produces over 30 million gauges annually under the strict I.S.O. 9001-2002 guidelines. Additionally, WIKA is the industry leader in lean manufacturing capabilities and can distribute products in three days or less through the built-to-order process.

It is time to reap the rewards of your hard work. Sales forces nationwide are enjoying WIKA Rewards, an exciting incentives program. Digital cameras, golf clubs and vacations have been awarded - all for selling TRONIC 36 (C-10 and S-10 pressure transmitters). Now, WIKA makes it easier to attain premium merchandise with the addition of its Bi-Metal Thermometer line (Types 30, 31, 32, 50, 51, and 52) to the WIKA Rewards program!

Reaping the Rewards is Easy

- 1 REGISTER** - Simply register by calling WIKA Rewards Headquarters at (888) 874-4214. You may also register online at www.wikarewards.com.
- 2 SUBMIT** - When you make a qualifying sale*, login and submit it online at www.wikarewards.com.
- 3 CONVERT** - After your sale is confirmed, we will convert 5% of your sale into WIKA Rewards points.
- 4 REDEEM** - To view and redeem your WIKA Rewards points, login and visit the online store at www.wikarewards.com.

* The WIKA Rewards program includes TRONIC 36 (C-10 and S-10 pressure transmitters) and Process Grade Thermometers (Types 30, 31, 32, 50, 51, and 52) only. All other WIKA products are excluded and are not redeemable for WIKA Rewards points. Qualifying products are subject to change without prior notification. WIKA Instrument Corporation reserves the right to determine point value and monetary equivalence for the WIKA Rewards program.

TRONIC 36: Just-In-Time Pressure Solutions

WIKI's TRONIC 36 program offers customized pressure transmitters built within 36 hours. Designed for WIKI C-10 and S-10 pressure transmitters, this modular program offers over 200,000 combinations to fit your specific needs.

- No Inventory
- Quick Turnaround
- Custom Designs
- Trusted Performance & Quality Engineering

To learn more about WIKI's TRONIC 36 line, contact the TRONIC Group at (770) 338-5236.

Process Grade Bi-Metal Thermometers: On-Point Accuracy

WIKI's Bi-Metal Process Grade Thermometers (Types 30, 31, 32, 50, 51, and 52) are excellent for most local indication applications. This cost-effective instrument offers an accuracy of within 1% of full scale (ASME B40.3 Grade A).

The thermometer features a durable stainless steel case for protection in harsh environments and is also supplied with an easy-to-read, anti-parallax dial. Its superior quality construction is reflected in the 7-year warranty.

To learn more about WIKI's Process Grade Bi-Metal Thermometers, contact 770-277-2633.

You deserve only the best for your hard work. Registering for WIKI Rewards is simple and takes only a few moments. Don't miss the opportunity to join the sales forces that are taking advantage of WIKI Rewards. Register today!
